### 3. Scope of Work

#### 3.1. Building renovations at the Nutley Property Yard

**THERE ARE NO ARCHITECTURAL DRAWINGS OR ENGINEERING DRAWINGS FOR THIS WORK. THERE ARE NO SPECIFICATIONS.**

Contractors will provide their bid to complete the work based on their estimating and experience.

A mold remediation report is complete and is being used to remediate mold as a separate solicitation/job. Drywall will be removed in the restroom and will be a part of this solicitation to replace and paint. This should make it easier to relocate fixtures in the restroom.

Please see bid table for the items/work to be completed.

The Town has a budget for this work and the Town may not be able to complete all of the items listed in Bid Table this fiscal year. The Town will decide which items are most important and the order of the work. Remaining items not completed in the first round of renovations may likely be done in the new fiscal year starting July 1, 2024.

All exterior punches through walls where piping is removed, screw holes, and other breaches shall be re-blocked, patched so that the wall is waterproof.

## 4. Qualifications

The Contractor shall provide the names, addresses and telephone numbers of at least three (3) other firms or government agencies for whom this type of work has been performed in the three (3) years.

The Town of Vienna will consider, in determining the qualifications of a bidder, their record in performance of any contracts for the services into which they may have entered with the Town or with other public bodies or corporations; and, the Town of Vienna expressly reserves the right to reject the bid of such bidder, if such record discloses that said bidder, in the opinion of the Town, has not properly performed such contracts or has habitually and without just cause neglected the payment of bills, or has otherwise disregarded their obligations to subcontractors, suppliers or employees.

The Town of Vienna will make an investigation as to the ability of the bidder to perform the work. The Town of Vienna reserves the right to reject any bid, if the evidence submitted by, or investigation of bidder, fails to satisfy the Town that such bidder is properly qualified by experience and financial status to carry out the obligations of the contract and to complete the work contemplated therein. Conditional bids will not be accepted.

## 5. Contract Quantities and Award

The quantities listed are estimates only and are for the purpose of bid comparison. This is a unit price contract; however, the Town will make the award on the lump sum of the items to the lowest responsive and responsible Bidder.

The Town reserves the right to reject any or all bids, in whole or in part, to waive informalities and to delete items prior to making the award, whenever it is deemed in the sole opinion of the procuring public body to be in its best interest.

Actual Contract Award amount will be based on the amount that will be allocated by the Town Council for any fiscal year in which the work will be performed. Therefore, the Town reserves the right to increase or decrease quantities to make full use of the amount of funding that will be allocated for the project(s).
