

Tapawingo Rd SE and Glyndon St SE Improvements

February 20, 2024

Re: Town Council consideration of Transportation Safety Commission's recommendation for no on-street parking near the intersection of Tapawingo Road SE and Glyndon Street SE Along the frontage of 901 Glyndon Street SE (mixed-use development)

Dear Residents:

At their November 2023 meeting the Transportation Safety Commission (TSC) recommended to install no on-street parking signs along both the Tapawingo Road and Glyndon Street frontage of 901 Glyndon Street SE (mixed-use development). The proposed no parking recommendation along the frontage 901 Glyndon Street SE is based on the Public Works analysis of the area and Public Works' recommendation. The main concern is the sight-distance associated with on-street parking along the frontage of 901 Glyndon Street SE. The recommendation also includes adding crosswalk pavement markings for all four legs of the Tapawingo Road and Glyndon Street intersection.

At their March 4, 2024 meeting at 7:30 PM in the Town Hall council chambers, the Vienna Town Council will consider authorizing the TSC's recommendations. **The Town Council Meetings are public; however, the Council typically does not allow for Public Comment regarding topics that are included on the regular agenda.** If you would like to comment, you may contact the Mayor or Council directly at mayor@viennava.gov and/or council@viennava.gov

If you have any questions please contact me directly at (703) 255-6381 or at andrew.jinks@viennava.gov. Please also CC the TSC at tsc@viennava.gov

Sincerely,

A handwritten signature in cursive script that reads "Andrew Jinks".

Andrew Jinks, PE
