

CITIZEN NOTICE

MANVELL ROAD SE DRAINAGE IMPROVEMENTS

Town Council Consideration of Construction Contract at the October 28, 2024, Regular Meeting

October 8, 2024

Dear Property Owner,

At their October 28, 2024 meeting at 7:30 PM in the Town Hall Council Chamber, the Vienna Town Council will consider authorizing funding for the construction contract for the Manvell Road SE Drainage Improvements project.

The project will include approximately 800 feet of concrete curb and gutter along the west side and approximately 400 feet of concrete curb and gutter and sidewalk along the east side of Manvell Road SE. The design will also include new curb inlets and approximately 90 feet of storm sewer pipe. The completed project will improve drainage conditions along Manvell Road SE. Additional information is available on the project's webpage located at <https://www.viennava.gov/your-government/town-departments-at-your-service/public-works/town-project-updates/public-works-project-updates>.

You are welcome to attend the Council meeting. As a reminder, this meeting is for Town Council deliberation regarding the funding of this construction project and does not include active discussion from residents. An additional public meeting prior to construction will occur for residents to discuss the construction project and ask any questions they may have. Additional information on the proposed format of the meeting, options for electronic viewing and resources to submit electronic or written comments are also available on the Town Council webpage located at <https://www.viennava.gov/your-government/town-council>.

As always, please contact me with any questions or concerns with the project at 703-319-8610 or email alan.chen@viennava.gov.

Sincerely,

A handwritten signature in black ink that reads "Alan Chen".

Alan Chen, P.E.

Deputy Director of Engineering
