Meeting Date: November 20, 2025

Re: Item No. 3 - Docket No. PF- 1911364 -BAR

Solar Panels - 127-A Park St NE

Exterior Modifications

Request approval for installation of twenty-four (24) solar panels, located at 127-A Park St NE, Docket No. PF- 1911364 -BAR, in the RMU, Residential – Multi-Unit zoning district, filed by Paul Levit, property owner.

The applicant proposes installing twenty-four (24) rooftop-mounted solar panels on the existing flat roof. All panels will be mounted below the height of the parapet to minimize visibility. The solar modules will feature anodized aluminum black frames with black polymer back sheets.

The installation will be completed in accordance with the manufacturer's specifications and all applicable building and electrical codes. Any roof penetrations required for mounting or wiring will be properly flashed and sealed to ensure a watertight installation. The solar panels will be mounted at a maximum height of six (6) inches above the roof surface and will be screened from view by the parapet walls of the building.
