

Amendment to Sec 18-13:

(l) Any of the following approved uses under this Section and Sections 18-2222, and 18-31 may, upon application and approval by the Town Manager, operate temporary medical testing facilities during times of public health emergencies:

- (a) Churches and other places of worship.
- (b) Colleges and schools (private, elementary and high) of a noncommercial nature.
- (c) Institutional homes and institutions of an educational or philanthropic nature.

The Town Manager shall set conditions of operation of temporary medical testing facilities, including (but no limited to) dates, hours of operation, and form of accepting appointments.
