Subject: Parkwood Oaks (Fairfax County Building Permit Number:) (Munis Tracking ID: 5058) (Project File No: PF-47-20-FP)

The staff has approved the review/inspections of the subdivision to reduce the performance bond to the 2-yr maintenance bond. This will need to be put on the Council agenda to reduce the original amount of \$329,743.81 to \$32,974.

Please let me know when it is approved so we can get the updated letter for the 10% amount and then process the project into the 2-yr maintenance.

Thanks
