**Attachments:** 20180625\_134410.jpg; 20180625\_134250.jpg

Hi Frank,

I inspected the public storm drain at 610 Kearney Court on Monday, June 25, 2018. Based on my field inspection the storm drain appears to be functioning properly. There are no noticeable drainage concerns. I have attached a couple of photos from my inspection.

Please let me know if you have any questions.

Thanks,  
Christine
