To Town of Vienna Board of Zoning and Appeals

"I James Donsalvi, am a neighbor of Alex and Elina Xantopoulos (610 Kearney Ct). We live next door to the applicants. We have reviewed the proposal for the screened in porch and are in support of this renovation. We do not believe that the screened in porch would negatively impact our property and we believe the applicants should be granted a variance to build the porch."

Sincerely,

A handwritten signature in black ink, appearing to read "James Donsalvi". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
