

Councilmember Brill Comments on Chapter 17

As for Chapter 17, here are my suggestions:

1. Have a brief preamble to explain the purpose of the ordinance. Sec. 17-1004 Purpose and Intent may be sufficient.
2. Sec. 17-2005 (b) Make sure Table 2 - Additional Tree Canopy Credits is all on the same page.
3. Sec.17-2006 (b) 3 - delete the words - "or the Town shall return such funds to the original contributor, or legal successor."
4. Sec. 17-4001 - change the words "periodic inspections" to "quarterly inspections."
5. Sec, 17-5001 - spell out the penalties.
