#	IF YOU WOULD LIKE TO CLARIFY YOUR ANSWERS TO ANY OF THE ABOVE, PLEASE SHARE YOUR THOUGHTS HERE.	DATE
1	Vienna risks becoming only for the wealthy. Our schools are outstanding and should be accessible to underprivileged households. This means more apartments. This means more townhouses that cost far less than \$1m. This means tax breaks to preserve the 1950s homes for resale instead of tear downs.	4/4/2024 3:54 PM
2	I would like to see some lower-priced living options in Town. It would be good to also try and grab some residents that area young professionals with lots of discretionary income...smaller and more affordable housing is key for this demographic	3/15/2024 4:03 PM
3	More affordable options for police, fire, teachers, and public service working ONLY in-town. Once income increases above threshold, they need to leave. Fairfax County has similar program.	3/14/2024 7:51 PM
4	Enough of the mega houses that cost millions. What about new families, single students, older people?	3/2/2024 11:18 AM
5	Need more sustainable urban vision	3/2/2024 10:55 AM

Q4 How should Vienna prioritize non-residential uses in their planning efforts?

#	IF YOU DISAGREE, WHAT CHANGES DO YOU RECOMMEND?	DATE
1	Single family neighborhoods are vital but so are apartments and townhomes.	4/4/2024 3:54 PM
2	The environmental component of the statement should be looked at again. From what I'm seeing the town does very little to reduce air, noise, and water pollution from commercial businesses. Tree canopy on private property should be considered, and encouraged residents to plant more trees to reduce runoff.	3/4/2024 6:33 PM
3	We don't need distinguished businesses, we need useful businesses	3/2/2024 11:18 AM

1	Might the town highlight the important roles of churches and non-profits like One Neighborhood and Rustic Love and CHO that care for the needy?	4/4/2024 3:54 PM
2	we need to diversify our housing options.	3/11/2024 12:20 PM
3	Give more funding to parks and recs to secure land and less to the police. It's embarrassing how much the new police station costs, especially when some of the last parcels of land were snatched up by developers.	3/4/2024 6:33 PM
4	Most Single family are not sustainable	3/2/2024 10:55 AM
