

Our Plan to Play

Approving the Parks & Recreation Master Plan

July 7, 2025

Updates Since June 9

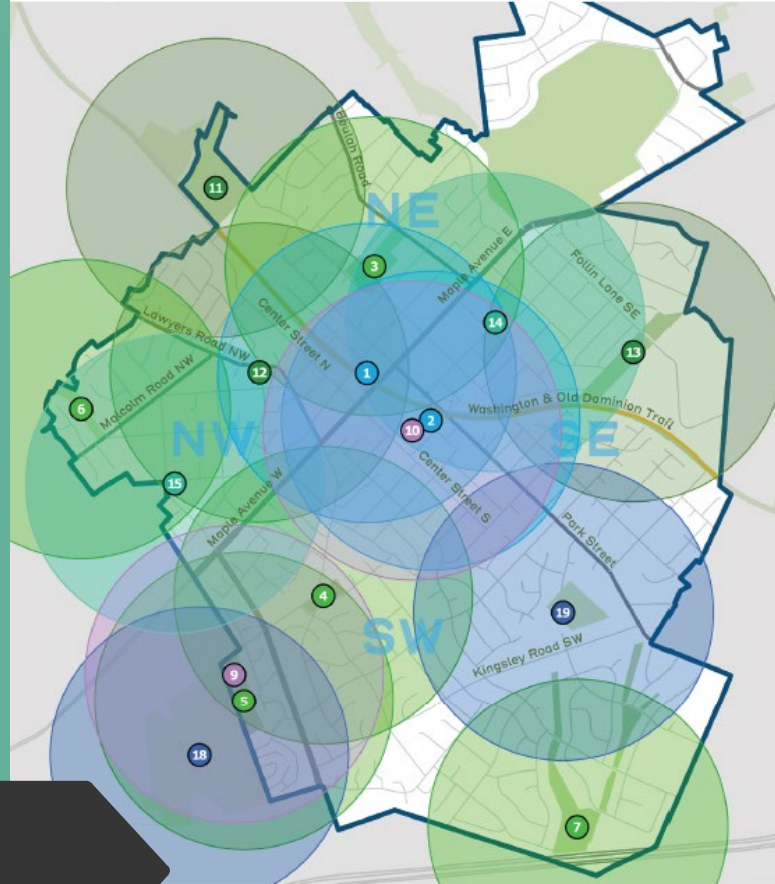

In addition to prior resident, stakeholder, and council input, the plan reflects feedback from the June Work Session.

- Updated multiple sections of narrative to reflect interpretation and future use of the document.
 - Edits included changes to title sections based on feedback.
- Added funding analysis.
- Highlighted tangible tasks and impacts.
- Added walkability maps to visualize service levels.
