600 BLOCK VALLEY DRIVE SE DRAINAGE IMPROVEMENTS

Town Council Consideration of Construction Contract at the March 6, 2023, Regular Meeting

February 17, 2023

Dear Property Owner,

At their March 6, 2023 meeting at 8 PM, the Vienna Town Council will consider awarding a construction contract to improve drainage conditions on the 600 block of Valley Drive SE.

The project will include approximately 125 feet of concrete curb and gutter along the south side of Valley Drive. The design will also include new curb inlets and approximately 320 feet of storm sewer pipe. The completed project will improve drainage conditions along Valley Drive SE. A copy of the final design plans is available on the project's webpage located at <https://www.viennava.gov/600valleydrive>

You are welcome to attend. Additional information on the proposed format of the meeting, options for electronic viewing, and resources to submit electronic or written comments are also available on the Town Council webpage located at <https://www.viennava.gov/your-government/town-council>. A copy of the Public Works Department's report recommending this project will also be available the Friday before the meeting after 2 PM.

If Council awards the contract, construction can begin immediately. You will receive a notice at least five (5) business days in advance construction schedule and any impacts to parking.
