3. Receipt of petitions and communications from the Public that is not on the Agenda. (Limited to 5 minutes per issue and no formal action can be taken this evening)

Mr. Howard Serig, 621 Hine St. SE addressed Council regarding a rundown property located at 627 Hine St. SE. The property has been unoccupied for over two months and is in disrepair. It is becoming an eye sore and to his knowledge there is no effort being made to take care of things. The grass is almost 3' high and there are leaves and limbs on much of the lot. He is asking Council that they use any powers that they have to investigate this problem and see what can be done to get the owner to at least do some maintenance work. Also to make sure this property is looked at every now and then so that it is not a potential attraction to the bad elements that sometimes do enter this community. He provided an information sheet to the Town Clerk.

Mayor DiRocco reported that Council received a letter that asked to be put into this

part of the agenda regarding the status of the Marco Polo Site property from Chuck and Laura Anderson, 125 Pleasant St. NW. Mr. Payton asked Ms. Cindy Petkac Planning & Zoning Director, to provide an update. He also stated that they have had contact on this matter with the owner of the property and they will begin proceedings this week. Ms. Petkac stated that she did forward the email chain to Council that Frank Semick, Zoning Administrator, has been in discussions with the owner, Doug D'Alexander and since the fire and the investigation has concluded they provided notification to Mr. D'Alexander that he could proceed with getting a demolition permit. He has indicated that he had a couple of bids but has never proceeded to follow up in getting the utilities capped off or to file the permits. They have been trying to work with him to move this process forward but unfortunately it has not. They are ready to move forward in initiating the blight proceedings. Mr. Payton stated according to State Code it calls for him to send a letter to the property owner which he is going to do this week and with that it begins a 30 day clock on them to remedy the situation.
