Project Description

Project Description:

This project will replace the collapsed pedestrian bridge between the Freeman Store and W& OD Trail. The design closely matches the collapsed bridge and provides the ADA access to the Freeman Store.

Exterior Modifications Information

Nature of Proposed Work: Major Facade Modification/Renovation

Describe proposed improvements (including dimensions as necessary):

This project will replace the collapsed pedestrian bridge between the Freeman Store and W& OD Trail. The bridge length is approximately 48 feet and approximately 5 feet wide with the

deck connected to the Freeman Store 24 feet long and 6 feet wide.

Are any Fairfax County Building Permit application numbers associated with this application?: Yes

Fairfax County Building Permit Number(s): 6018010

Business/Development Name: Town of Vienna

Exterior Modifications Information

Proposed construction materials (include manufacturer, identification numbers, and size), colors, and finish types (include specifications and color numbers):

VDOT approved/required: treated lumber, Steel, Concrete (foundations)

Lighting & Awning Information

Will your project include lighting?: No
