Maple Avenue	<p><i>Should this plan develop a vision for the corridor to replace the MAC vision reflected in the current Comp Plan?</i></p> <ul style="list-style-type: none"> - The updated plan needs to back out all mentions of MAC. - It could use some Plan language that sets as policy some of the implicit principles adopted in the new Zoning Ordinance <ul style="list-style-type: none"> o Commercial activity is to be on the ground floor o Residential is to be on upper floors with limited space for residential lobbies on the ground floor o Embrace Avenue Center as pedestrian oriented. o Discuss interaction with the trail. - An option would be for the plan say that a vision should be created, as an implementation step. 	
Corporate Park	<p><i>Should this area remain an employment center exclusively or permit some other uses (e.g., residential)?</i></p> <p>Two large sites and buildings have been vacant, or almost vacant, for about a decade. There have been ideas brought forward for these sites that are not currently permitted in that part of town, by either the Comprehensive Plan or zoning.</p>	
Housing Policies	<p><i>Does the Town want to promote more diversity of housing types? If so, how should it be addressed in the Comprehensive Plan?</i></p> <p>This topic received the second most amount of testimony during Code Create, and the Town Council set it as one of its priority discussion topics for 2024.</p>	
Mill/Dominion	<p><i>Should this area remain light industrial with office and some retail, for the entire area?</i></p> <p><i>Should it permit other uses (e.g., more residential) in any portion of it (e.g., close to Church Street)?</i></p> <ul style="list-style-type: none"> - Potential for Small Area plan for trail corridor (e.g., the busiest area, from Community Center to Caboose Brewery) as implementation step?
