

TOWN COUNCIL WORK SESSION

CAPITAL BIKESHARE

June 9, 2025

Agenda

- What is Bikeshare
- Timeline for Bikeshare in Vienna
- Proposed Bikeshare Stations
- Next Steps

What is Bikeshare

- Transportation system ideal for short one-way or round trips
 - ▣ Users rent a bicycle at a station and return to any other station.

How it works

It's so easy.

1. Unlock it

Pick out a bike and use the Capital Bikeshare or Lyft app to scan its QR code.*

2. Ride it

Hop on and start cruisin'.

3. Park it

Find an open space at any Capital Bikeshare docking station. When the lock-in light turns green, you're all set.**

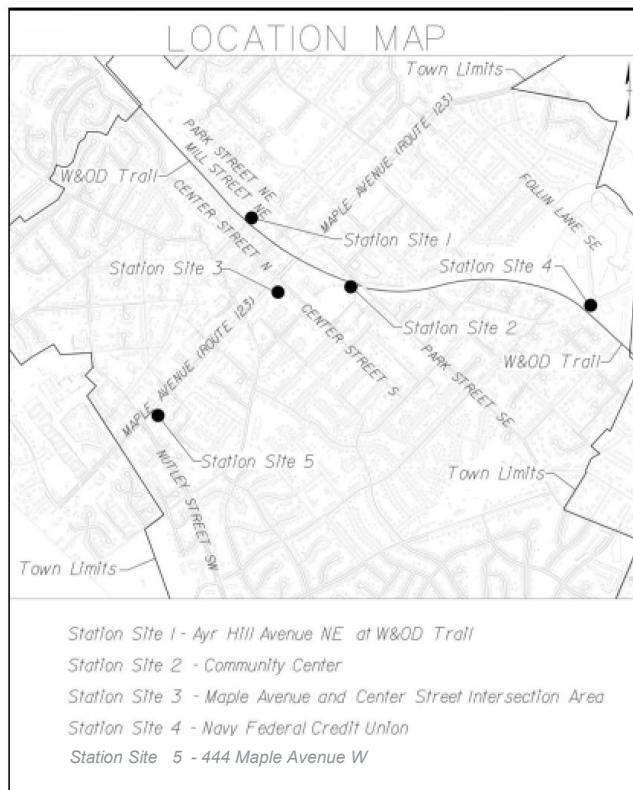

Timeline for Bikeshare in Vienna

- Nov 19, 2018 Council Meeting:
 - ▣ Presentation on The Vienna-Fairfax-GMU Bikeshare Feasibility Study (a study implemented by the City of Fairfax).
- Sept 16, 2019 Council Meeting:
 - ▣ Request and approval of VDOT TA grant application for design and installation funding for Bikeshare Stations in Vienna.
- May 16, 2024 Board of Architectural Review (BAR):
 - ▣ Three of the five proposed stations required BAR review and approval. The BAR approved during their May 16th meeting.
- Spring 2023 – Summer 2025:
 - ▣ Design, documentation, and contract development.
- Fall/Winter 2025/26:
 - ▣ Installation of Stations.

Bikeshare Station Location in Town

- Locations mostly based on the recommendation from the The Vienna-Fairfax-GMU Bikeshare Feasibility Study
 - ▣ Staff finalized the locations based on Town needs, conditions, and Right-of-Way.
- Important to have stations near the W&OD trail.
 - ▣ 444 Maple Ave (Site 5) - Access to/from Vienna Metro Station

Next Steps

- ❑ Request for the purchase and installation of station and bikes at the June 9th Council Meeting.
- ❑ Order stations for fabrications – lead time is approximately 6 months.
- ❑ Once fabricated – stations will be installed.
- ❑ Fairfax County DOT will maintain the stations/bikes.

Discussion
