Dear Glen Avenue SW and Surrounding Area Property Owners,

A Community Information Meeting (CIM) has been scheduled to present and discuss the Glen Avenue SW Sidewalk Improvements project. The project's purpose is to install sidewalk on one side of Glen Avenue SW from Courthouse Road to just before Liberty Lane (tying into the existing sidewalk built by the Sunrise development). The improvements also includes curb-&-gutter along Glen Avenue SW and drainage improvements typically seen with new sidewalk projects.

The meeting will include a brief presentation of the conceptual design of the project and a Q&A session.

**The meeting is scheduled for 6:30 pm, Wednesday, March 20th in Council Chambers at Town Hall, 127 Center Street S.**

The project webpage can be found below but also by simply searching *Glen Avenue SW Sidewalk Improvement* on the Town's main webpage/homepage. Exhibits/displays can also be found on the project's webpage after the meeting.
