

Glen Avenue SW – Pedestrian Improvements

March 3, 2023

Re: Town Council consideration of awarding a design contract for Glen Avenue SW sidewalk project

Dear Residents:

At their March 20, 2023, meeting at 8 PM in the Town Hall council chambers, the Vienna Town Council will consider authorizing a contract to provide engineering services for the survey and project design of pedestrian improvements along both sides of Glen Avenue SW. Once the design plans are complete, Town Council will then need to authorize the construction contract. Town Council Meetings are public; however, the Council typically does not allow for Public Comment regarding topics that are included on the regular agenda. If you would like to comment, you may contact the Mayor or Council directly at mayor@viennava.gov and/or council@viennava.gov.

This project proposes to add sidewalk, curb, gutter, and drainage/stormwater infrastructure along both sides of Glen Avenue SW from Courthouse Road SW to Liberty Lane SW. The contract includes public engagement meetings to review and discuss project design elements with the community.

If you have any questions please contact me directly at (703) 255-6381 or at andrew.jinks@viennava.gov.

Sincerely,
