Dear Property Owner,

At their August 20, 2018 meeting at 8 PM in the Town Hall Council Chamber, the Vienna Town Council will consider authorizing a construction contract for curb, gutter and storm drainage improvements on Ninovan and Talahi Roads SE. Town Council held a public hearing to discuss the project and award the design contract in August 2016.

You are welcome to attend the Council meeting and participate in the discussion regarding this project. A copy of the Public Works Department's report recommending the project will be available on Friday before the meeting after 2 PM on the Town Council web site located at: <http://www.viennava.gov/index.aspx?NID=1232>.

We apologize in advance for the noise, dust and inconvenience of construction. Please contact me with any questions at 703-319-8630 or email christine.horner@viennava.gov. If Council awards the contract, you will receive a notice with the contractor and Town Construction Manager's contact information before any work begins.

Sincerely,
