Dear Sir & Madam:

I am writing you on behalf of Cadence on Park, L.C. in regards to the rendering and architectural plans submitted on March 10, 2021. Due to the short length of time between the work session held on March 5, 2021, and the due date for resubmission, we have been unable to obtain updated architectural drawings to reflect what is shown in the colored rendering. Rust & Orling is currently in the process of updating these architectural plans to match that which is shown in the colored rendering. Once Cadence on Park, L.C. receives the updated pages, we will submit the new pages to the Town of Vienna in a timely manner. Cadence on Park, L.C. acknowledges this discrepancy and will build the elevation shown in the colored rendering.

As always, thank you for your understanding our current situation. We look forward to your approval at our next Board of Architectural Review meeting.

Sincerely

Collin Sekas
Manager
Cadence on Park, L.C.
