

Certification:

CERTIFICATION for RECEIPT of CORONAVIRUS RELIEF FUND PAYMENTS

by

Fairfax County

on behalf of

Town of Vienna

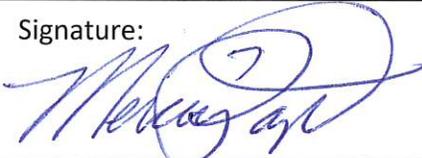

We, the undersigned, represent Fairfax County are working in partnership with Town of Vienna (the utility), and we certify that:

1. The intent is for this allocation to pass through the county or city directly to the municipal utility to serve all eligible Virginia municipal utility customers. The customer utility relief program operator should develop a subagreement with the county or city fiscal agent that ensures they will be responsible for compliance with state and federal law.
2. We have the authority to request direct payment, on behalf of the utility from the Commonwealth of Virginia, of revenues from the Coronavirus Relief Fund (CRF) pursuant to section 601(b) of the Social Security Act, as added by section 5001 of the Coronavirus Aid, Relief, and Economic Security Act, Pub. L. No. 116-136, div. A, Title V (Mar. 27, 2020).
3. We understand that the Commonwealth of Virginia will rely on this certification as a material representation in making a direct payment to the city or county.
4. The city or county and municipal utility's proposed uses of the funds received as direct payment from the Commonwealth of Virginia under section 601(b) of the Social Security Act will be used only to cover those costs that:
 - a. are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
 - b. were not accounted for in the budget most recently approved as of March 27, 2020, for the utility; and
 - c. were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020.
5. Any funds that are not expended or that will not be expended on necessary expenditures incurred before December 30, 2020, by the municipal utility or its grantee(s), must be returned to Commonwealth of Virginia no later than January 29, 2021, and that the Commonwealth of Virginia is entitled to invoke State Aid Intercept to recover any such unexpended funds.
6. We understand that customer attestations of the COVID-19 economic hardship must be obtained and saved by the utility relief program before forgiving arrearages.
7. We understand that the municipal utility will not receive continued funding beyond

December 30, 2020, from any source to continue paying expenses or providing services that were initiated or previously supported from CRF funds prior to December 30, 2020.

8. Funds received as a direct payment from the Commonwealth of Virginia pursuant to this certification must adhere to official federal guidance issued or to be issued regarding what constitutes a necessary expenditure.
9. Up to five percent of funds allocated to individual localities may be used for direct administrative costs to support management of the utility relief programs.
10. Any CRF funds expended by the municipal utility or its grantee(s) in any manner that does not adhere to official federal guidance or COVID-19 Municipal Utility Relief Program guidance shall be returned to the Commonwealth of Virginia within 30 days of a finding that the expenditure is disallowed, and that the Commonwealth of Virginia is entitled to invoke State Aid Intercept on the city or county serving as fiscal agent to the partner municipal utility system to recover any and all such funds that are not repaid within 30 days of a finding that the expenditure is disallowed.
11. As a condition of receiving the CRF funds pursuant to this certification, the city or county on behalf of the municipal utility system shall retain documentation of all uses of the funds, including but not limited to payroll time records, invoices, direct administrative costs, and/or sales receipts. Such documentation shall be produced to the Commonwealth of Virginia upon request.
12. The city or county on behalf of the municipal utility system must maintain proper accounting records to segregate these expenditures from those supported by other fund sources and that all such records will be subject to audit.
13. Any funds provided pursuant to this certification cannot be used as a revenue replacement for lower than expected revenue collections from taxes, fees, or any other revenue source.
14. Fund payments may not be used for government revenue replacement, including the replacement of unpaid municipal utility fees.
15. Any CRF funds received pursuant to this certification will not be used for expenditures for which the municipal utility and its subrecipients have received funds from any other emergency COVID-19 supplemental funding (whether state, federal, or private in nature) for that same expense nor may CRF funds be used for purposes of matching other federal funds unless specifically authorized by federal statute, regulation, or guideline.

We certify that we have read the above certification and our statements contained herein are true and correct to the best of our knowledge.
