Vienna Public Art Commission 2024 Proposal

Mayor Colbert opened the Work Session at 9:15 PM calling on Mike Cheselka, Chairman, Vienna Public Arts Commission, to present the Item for discussion.

Two art installation options were presented for consideration of placement on the painted cinder block wall inside the Vienna Community Center. Following input from Council, both drawings will be altered to accommodate Council suggestions and brought back for approval.

Art options to be placed on the trash enclosure continue under discussion. A preference for metal art work was noted as it would not require continual maintenance. The concept of a living wall will be investigated.

On another matter, Mr. Cheselka suggested that, as new public development comes under consideration by the Town, the Public Arts Commission could provide valuable early input. This type of participatory planning could potentially enhance the overall project.

2. Meeting Adjournment

Mayor Colbert concluded the work session at 10:00 PM.
