Dear Property Owner(s):

At their February 26 meeting at 7:30 pm in the Town Hall chambers, the Vienna Town Council will consider the Department of Public Works (DPW) recommendation to initiate final design of the Robinson Trust Sidewalk project on the even numbered addresses (west side) of **Frederick Street SW** from Tapawingo to Kingsley Rd.

This recommendation by DPW is based upon an Engineering Report that evaluated the pros and cons to building sidewalk on one side of the street versus the other side of the street. The Engineering Report included a concept design plan for each side of the street and an analysis of each of the two concepts.

The Engineering Report for the **Frederick Street SW** project is available on the Town website at [www.viennava.gov/RobinsonProjects](http://www.viennava.gov/RobinsonProjects) . From this page follow the link to the Project Page and then to the link to the Engineering Report.

Additionally, a copy of the Public Works Department's report to Council recommending the project will be available on Friday before the meeting after 2 PM on the Town Council web site located at: [Town of Vienna - Calendar \(legistar.com\)](http://Town of Vienna - Calendar (legistar.com))

The Town Council Meetings are public; however, the Council typically does not allow for Public Comment regarding topics that are included on the regular agenda. If you would like to comment you may contact the Mayor or Council directly at [mayor@viennava.gov](mailto:mayor@viennava.gov) and/or [council@viennava.gov](mailto:council@viennava.gov)

Sincerely,

Brad Baer, PE  
Director of Public Works

Dear Property Owner(s):

At their February 26 meeting at 7:30 pm in the Town Hall chambers, the Vienna Town Council will consider the Department of Public Works (DPW) recommendation to initiate final design of the Robinson Trust Sidewalk project on the even numbered addresses (south side) of **Ridge Road SW** from Hillcrest Dr to Frederick St.

This recommendation by DPW is based upon an Engineering Report that evaluated the pros and cons to building sidewalk on one side of the street versus the other side of the street. The Engineering Report included a concept design plan for each side of the street and an analysis of each of the two concepts.

The Engineering Report for the **Ridge Road SW** project is available on the Town website at [www.viennava.gov/RobinsonProjects](http://www.viennava.gov/RobinsonProjects) . From this page follow the link to the Project Page and then to the link to the Engineering Report.

Additionally, a copy of the Public Works Department's report to Council recommending the project will be available on Friday before the meeting after 2 PM on the Town Council web site located at: [Town of Vienna - Calendar \(legistar.com\)](http://Town of Vienna - Calendar (legistar.com))
