Re: Family Day Homes

Overview

The Planning Commission held a public hearing to review possible text amendments to add Family Day Home provisions to Chapter 18 of the Town Code, Sections 18-4, 18-13, 18-210.

During the public hearing we heard from a member of the BZA, who clarified their concerns. The BZA felt this proposed text amendments did cover their concerns regarding the authority of the BZA to grant conditional use permits (CUP) to Family Day Homes.

The Planning Commission raised no concerns about the proposed text amendment. As this solved the dilemma for the BZA the Planning Commission was in support of this revision.

PC Action and Concerns
