Re: Public Hearing for Town Council consideration of awarding a design contract for new sidewalk along Kingsley Road SW

Dear Residents:

In 2012 Town Council authorized a design contract for new sidewalk along Kingsley Road SW. This project is an element of the "Walk to Vienna Metro Initiative" which closes missing links in the Town's pedestrian and bicycle network and helps residents to walk or bicycle to the Vienna Metro Station. The design was initiated in 2012, but due to a funding shortage, the project was placed on hold.

The Town recently acquired VDOT funds to update the design to current design standards, finalize the design plans, and construct the new sidewalk.

The Town Council will host a public hearing session for this project at their May 2nd Town Council meeting at 8 PM in the Town Hall council chambers. The public will have an opportunity to comment on the project.

The new sidewalk will run from 106 to 124 Kingsley Road SW and sidewalk will be constructed along the frontage of 106, 108, 110, 112, 114, 118, 120, 122, and 124 Kingsley Road.
