Hello! Our family is very excited to register our property as a Historic Structure in the Town of Vienna. My husband and I purchased our home on April 30th, 2021 from Ms. Louise Davidson, who we believe lived in the home for almost 20 years. Prior to Ms. Davidson, the owners included the following (per the Walk on the Hill sign that was placed in front of our house):

1856-1869 - Moses Commins
1869-1872 - Harmon and brother George Salsbury
1872-1907 - Harmon Salsbury
1907-1908 - A.E. Corning and his wife Annie Laurie
1908-1912 - Emil Herman and Louise A. Boelter
1912-1920 - David C. and Iva J. Shifflet
1920-1923 - Wilbur E. and Theresa Pettit
1923-1935 - Charles A. and Margaret B. Ashton
1935-1985 - Paul K. and Madge Stenger
1985 -1999- Maron Beverly Ashley
1999-1999- Thomas R. and Betty A. Holmes
2002-2021- Louise Davidson
2021-present - Kristin, Fred, Fredric, and Annalise Stapleton

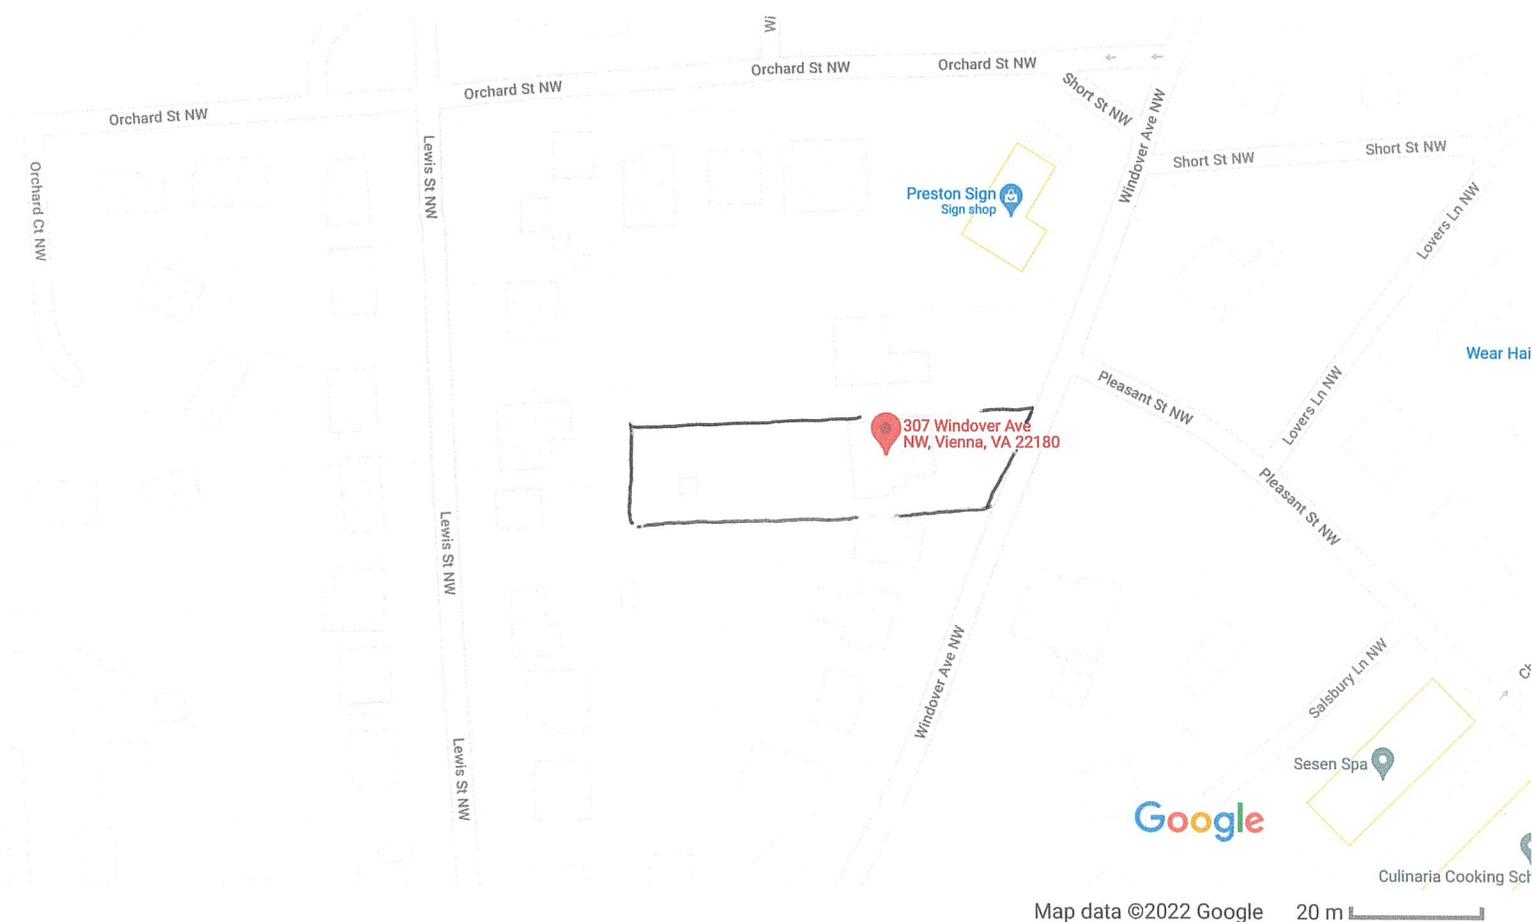

I believe that there is some discrepancy as to when our home was actually built. I have seen both 1895 and 1900 (per the 'This Was Vienna, Virginia' book) but we are not sure which is truly the correct date. We love hearing stories from our neighbors about previous owners and events that took place at our home. We also have a metal sign that hangs on one of our front trees that says "Pinecote" with the initials J.H. Brill but we have not been able to find out any information about the sign. Again, we would love to be considered as one of the Historical Properties. We absolutely love our home and plan to stay for years and years to come.

-Kristin Stapleton
