

Memorandum

To: Board of Architectural Review
From: Hyojung Garland, Deputy Director
Date: February 15, 2018
Re: Item No. 2

Request for approval of window signage for Body and Brain of Vienna located at 123 Church St NW, (Docket No. BAR-10-18), in the C-1B Pedestrian Commercial zoning district; filed by Paula Pierce, business representative.

The applicant is requesting approval for a window sign to be placed that is to the left of the front door. The proposed size is within the allowable signage area measuring at 30" long by 24.32" tall, approximately 5 square feet in area. The text is orange, turquoise and dark grey. The logo is turquoise and orange in color.

Illustrations, color samples and the existing photo have been included as part of the submittal package.
