Town Manager

Dear Sir:

It is my desire to have the Town of Vienna extend a water main from the intersection of Tapawingo Road and Nutley Street up Nutley Street approximately 510 feet to make water available for houses to be built on Lots 4, 3 and 2 of Hampton Subdivision.

I would appreciate immediate action on this request; for if the Town cannot supply water at this time, I will have to make preparation to supply each house with an individual well.

Very truly yours,

(Signed) W. Roger Wood
