

Virginia Code Section 2.2.-4303

G. A public body may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for:

1. Goods and services other than professional services and non-transportation-related construction, if the aggregate or the sum of all phases is not expected to exceed \$200,000; and
2. Transportation-related construction, if the aggregate or sum of all phases is not expected to exceed \$25,000.

However, such small purchase procedures shall provide for competition wherever practicable.

Such purchase procedures may allow for single or term contracts for professional services without requiring competitive negotiation, provided the aggregate or the sum of all phases is not expected to exceed \$80,000.

Where small purchase procedures are adopted for construction, the procedures shall not waive compliance with the Uniform State Building Code.

For state public bodies, informal solicitations conducted under this subsection shall require the posting of a public notice on the Department of General Services' central electronic procurement website. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities.
