2022/11/16 7:00:37 AM EST	8635 McHenry St	Second Choice	First Choice	Limiting the hours this much is absurd already. Don't take them away. It's a PUBLIC park. Part of living next to a park is the noise. The Town should be happy that their money is being spent on courts that people love and use so much.
2022/11/16 7:02:12 AM EST	2482 Glengyle Dr	Second Choice	First Choice	
2022/11/16 7:20:01 AM EST	Bois Ave		First Choice	Should allow weekday and weekend hours to accommodate all players an opportunity to play and enjoy themselves at the park
2022/11/16 7:24:08 AM EST	9805 peppermill place Vienna VA			These options are too restrictive. This is a lot of people's exercise/wellness being done at a public park.
2022/11/16 7:24:17 AM EST	9921 Corsica Street	Second Choice	First Choice	Let them play!!!!
2022/11/16 7:51:54 AM EST	8152 Madrillon Court		First Choice

2022/11/16 11:09:54 PM EST	10207 Lawyers Road Vienna VA	Second Choice	First Choice	How in the world can you justify no play on weekends in a public town recreational park? Weekends?! This is absolutely ludicrous. Stop for a minute, and Think about how ridiculous this whole survey around pickle ball limitations is. Are there basketball? Tennis? Baseball? Limitations on weekdays? No free throw practice on Saturday? No tennis play on a beautiful Sunday afternoon? Absurd.
2022/11/17 2:57:26 PM EST	8212 Stonewall Dr		First Choice	It's a park! Let them play!
2022/11/17 10:21:49 PM EST	13106 Pelmira Ridge Ct			Neither of these options are fair to the many pickleball players who use the courts. Has anyone looked at placing noise barriers on the fences? Why are these the only two options?
2022/11/20 4:35:05 PM EST	9520 Center St 22181		First Choice	People should be happy people are active. I agree tennis players need options also. Build more courts
2022/11/17 10:28:34 PM EST	8324 Majestic Knolls Ct			Neither choice seems fair since both are a substantial restriction of play in a public park. Were any noise mitigation efforts made prior to severe restrictions of play being proposed? This process seems secretive and rushed. Is this standard practice for the town council? I may not pay town taxes but I support town businesses and use town parks.
2022/11/21 4:54:39 PM EST	1728 Brookside Ln	Second Choice	First Choice	If you are limiting play at Glyndon, then other courts should be created in other Vienna parks. Too many residents enjoy this game at this park. Limiting the pickleball playing time will be a problem now. So very sad!
