Re: Council's Consideration of the TSC's Recommendation for Traffic Calming along Echols St SE

Dear Residents:

At their April 24, 2023 meeting at 8 PM in the Town Hall council chambers, the Vienna Town Council will consider approving the Transportation Safety Commission's (TSC) recommendation of traffic calming along Echols St SE from Branch Road to Follin Lane. The TSC's recommendation was to install three speed tables and add parking pavement markings. Town Council Meetings are public; however, the Council typically does not allow for public comment regarding topics that are included on the regular agenda. If you would like to comment, you may contact the Mayor or Council directly at mayor@viennava.gov and/or council@viennava.gov

This letter is being sent to the residents along both sides of Echols Street SE between Branch Road and Follin Lane.

If you have any questions, please contact me directly at (703) 255-6381 or andrew.jinks@viennava.gov.

Sincerely,
