

Ayr Hill Ave NW Traffic Calming

February 20, 2024

Re: Town Council consideration of Transportation Safety Commission's recommendation for traffic calming along Ayr Hill Avenue NW at the intersection with Lawyers Road and Center Street.

Dear Residents:

At their November 2023 meeting the Transportation Safety Commission (TSC) recommended bumping out the curb ramps located at the Ayr Hill Avenue leg of the Ayr Hill Avenue and Lawyers Road intersection. This improvement may also include adding some curb and gutter along Ayr Hill Avenue near the intersection, replacing/adding sidewalk, adding driveway aprons, and on-street parking lines where applicable. This will create a narrowing of Ayr Hill Avenue within the area of the intersection and also create a safer environment for pedestrians. The TSC recommendation also includes improvements to the Ayr Hill Avenue intersection with Center Street N; improvements include: restriping the crosswalks and adding the word "STOP" to the roadway approaching the stop signs (just before the stop bar/sign).

At their March 4, 2024 meeting at 7:30 PM in the Town Hall council chambers, the Vienna Town Council will consider authorizing the TSC's recommendations. **The Town Council Meetings are public; however, the Council typically does not allow for Public Comment regarding topics that are included on the regular agenda.** If you would like to comment, you may contact the Mayor or Council directly at mayor@viennava.gov and/or council@viennava.gov

If you have any questions please contact me directly at (703) 255-6381 or at andrew.jinks@viennava.gov. Please also CC the TSC at tsc@viennava.gov

Sincerely,

Andrew Jinks, PE
Transportation Engineer
