Following extensive discussions during two meetings (July 29 and September 30), the Transportation Safety Commission (TSC) approved the following motion on September 30, 2014:

“Two crosswalks should be implemented; one that crosses Marshall Road SW at the intersection of Marshall Road and Hillcrest Drive, and one that crosses Hillcrest Drive SW on the north side of the intersection. The TSC further recommends a reduced curb radius on both sides indicated with pavement markings at DPW’s discretion.”
