

Town of Vienna
Community Enhancement Commission
127 Center St. S
Vienna VA 22180

Dear (member of congregation in 22180 or 22181 zip code),

As the Town of Vienna finishes celebrating its 125th anniversary, we'd like to invite our Vienna faith communities to participate in an exciting new program! We know that many congregations in Vienna have been focusing on environmental sustainability, and we'd like to recognize you for your efforts.

The Town of Vienna has developed a new Green Congregation Certification! Each year, your congregation can earn a bronze, silver, or gold certification for its sustainability efforts. Congregations that own buildings and land, as well as congregations that use rented space, are eligible for the program.

The process is simple – just complete the attached checklist and submit it to the Town of Vienna's Community Enhancement Commission before February 15 to earn certification for the previous year. Once your application has been reviewed, you'll receive your certification including a certificate and window decals so you can publicize your congregation's accomplishment.

If you have any questions about the program, please contact Desiree Di Mauro at desiree@d2t2.org.

Sincerely,
