Church Street NE Transportation Grant Application

Dear Property Owner:

At their October 3, 2016 meeting at 8 PM in the Town Hall council chambers, Town Council will consider a resolution and grant application for construction funds to complete the sidewalk along Church Street NE from where it exists at 350 Church Street to Glyndon Street NE. You are welcome to attend the meeting and participate in the discussion regarding this future project. A copy of the Public Works Department's report will be available on Friday before the meeting after 2 PM on the Town Council web site located at <http://www.viennava.gov/index.aspx?NID=567>.

Our goal is to begin design on this project this fall and be ready for construction by July 2017. You will receive an additional notice once the project is ready to begin design and there will be multiple opportunities for citizen input as we work through the design process. It is anticipated that all improvements will be within the public right-of-way and there will be no cost to property owners for these improvements.

Should you have any questions, my contact information is 703-255-6389 or email at mgallagher@viennava.gov

Sincerely,

Michael Gallagher, PE
Public Works Director
