AB. The uses permitted within the C-1 zone must meet all of the following criteria in addition to all other requirements specified in this article except those hereinafter expressly prohibited and those designated with special conditional limitations:

~~1. General business enterprises consisting of sales; home installation services associated with sales; offices, recreation, limited repairing, manufacturing, processing or assembly; shall be permitted; provided, however, that:~~

- a. The entire operation of the business or activity shall be conducted wholly within an enclosed building.
- b. No sales or services of any kind, type or nature, comprising or relating to the business shall be conducted on the premises outside of a wholly-enclosed building. Nor shall any sales be permitted for consumption on the premises outside of a wholly-enclosed building, with the exception of restaurants, subject to limitations listed under incidental uses.
- c. No storage or display of merchandise, equipment, or other material will be wholly-permitted outside of an enclosed building, regardless of whether the storage or display area is a public thoroughfare or is privately owned.
- d. Repairing, processing, manufacturing, washing, drying, dry cleaning, fabricating, forming, finishing or assembly shall be limited to those which are incidental to home consumption or use and services to other commercial enterprises when such services are not performed for or do not result in the resale by the recipient thereof. Such a use, however, shall not be permitted if there is any emission of smoke, odor or noise which is detectable outside of the building beyond the boundaries of the lot on which the building housing such use is located.

- e. Office buildings shall be occupied solely for professional use or the administrative activities accessory to other than professional uses. No such professional or administrative activity shall be considered as a permitted use if it involves storage or parking on the premises of trucks, buses, taxis, equipment, or other commercial vehicles other than passenger automobiles incidental to the professional use or required for the use of persons engaged in the purely administrative activities accessory to the non-professional use.
- f. No business shall be considered as a permitted use if it involves the killing of poultry or other livestock or the processing of animal products. This restriction shall not include the cutting and preparation of animal products when performed for retail sale on the premises as food for consumption; and the killing or cutting of animals, other than human, incidental to medical practice or medical research.
- g. Where a building contains office space as well as other commercial enterprises, the applicable criteria in this section for office buildings shall apply to that portion of the building consisting of offices and the other criteria shall apply to the other commercial enterprises.

~~2. Restaurants.~~

- ~~a. Intent.
