**Re: Dominion Rd NE Parking Study
Citizen Meeting Announcement**

Dear Property Owner / Tenant:

I am happy to announce a citizen meeting to discuss the potential of changing Dominion Road NE to a one-way street and adding pull-in parking. The new parking layout will give us the ability to provide 45 degree parking with a 16 foot travel way. The alteration will yield approximately 10 new parking spaces increasing the existing 41 spaces to 51 spaces. The new one-way street will travel from Church Street to Ayr Hill Avenue NE. The citizen meeting will be held on **Wednesday November 29th at 7:00 PM in the Council Chambers at the Vienna Town Hall**. Public Works staff will be present to discuss the potential project and answer any questions.

If you have any questions prior to the meeting, please contact me directly by phone at (703) 255-6387 or by email at john.sergent@viennava.gov.

Sincerely,

John Jay Sergent
