

To: The Vienna Town Council and Town Manager

From: Becky Allison, Vice Chair, Transportation Safety Commission

Subject: Pedestrian Master Plan

Date: November 8, 2017

During a meeting of the Transportation Safety Commission (TSC) on September 26, 2017, the final draft of the Pedestrian Master Plan (PMP) was presented. The PMP has been developed over many months with input from the public, the TSC and Town Council. Commissioner Hays noted the most recent changes and the TSC agreed the document was complete.

At the conclusion of the discussion, the following motion was made:

Commissioner Hays made a motion that the Transportation Safety Commission approve the updated Town of Vienna Pedestrian Master Plan (PMP) dated September 26, 2017, as presented by the Pedestrian Advisory Committee and amended with minor editorial changes discussed at the September 26, 2017 TSC meeting for Town Council's consideration and approval to replace the current PMP.

Commissioner Strunk seconded.

Motion carried unanimously, 8 – 0. Chairman Somers was not present.
