Re: *As-Needed Support Services for Public-Private Development Feasibility Analysis*

Dear Mr. Mulhern:

Kimley-Horn and Associates, Inc. ("Kimley-Horn", "We" or "the Consultant") is pleased to submit this letter agreement (the "Agreement") to the Town of Vienna ("Vienna" or "the Town") for providing professional engineering services and consultation in support of Public-Private Development Feasibility Analysis. This work will be performed under the Fairfax County Contract (4400003237, RFP2000000131) – Consulting Services for Transportation and Urban Planning, Design & Engineering Services by executing a contract rider to this master agreement.

Scope of Services

The general scope of services below describes the services to be provided by the Consultant team during the term of this task order agreement.

Subtask 1 – General Consulting Support Services

Kimley-Horn will provide Vienna with planning and related support services on an as needed basis and on a mutually agreeable schedule to assist with feasibility analysis as the Town of Vienna considers a public-private partnership for the development of a mixed-use development with public parking garage.

SCHEDULE

Kimley-Horn will provide our services as needed and requested by Vienna. Schedule for services will be provided on a mutually-agreeable schedule as needs arise.

FEE AND BILLING

The Consultant team will perform the services described in the Scope of Services for a fee not to exceed the amount of \$19,897.15 based on the labor classifications, estimated hours, and expenses. Since this task provides for support services on an as-needed basis, work is anticipated on this task until the budget amount is met or until support services are no longer needed. Services above the budgeted amount will be considered additional effort that will require a new task order.

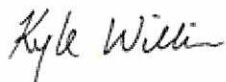

A breakdown of the fee is shown on Attachment A. Since this task order is for services on an as-needed basis, the actual expenditure of hours may be different than those shown in Attachment A.

The fee estimate uses the latest approved rate schedule which is shown in Attachment B as Amendment 3 to Fairfax County Contract #4400003237.

On behalf of Kimley-Horn, we thank you for allowing us to provide our services for this project. Should there be questions, please do not hesitate to give me a call at (757) 213-8621.

Sincerely,

KIMLEY-HORN AND ASSOCIATES, INC.
