The Engineer hourly rates will be billed at a factor of 2.50 times actual technical payroll plus out-of-pocket expenses. The factor of 2.50 is applicable to the salaries of only technical personnel working on this project. The factor includes payroll burden overhead costs for partners, accountants, secretaries, and other non-technical support personnel engaged on this project, computer and CAD facilities, support staff, and profit. Out-of-pocket expenses include Subconsultant fees, express mail or deliveries, reproduction, and the actual costs for any other approved expenses directly chargeable to this project.
