At a regularly scheduled meeting of the Town Council of the Town of Vienna held on January 7, 2019, on a motion by _____, seconded by _____, the following resolution was adopted by a vote of __ to __:

Whereas, the Town of Vienna desires to update its zoning and subdivision ordinances, which were enacted fifty years ago in 1969; and,

Whereas, a goal of the update of the current zoning and subdivision ordinances is to implement the Town's Comprehensive Plan and develop regulations that are logically organized, easier to understand, consistent with the Code of Virginia and recent Supreme Court decisions, and incorporate contemporary zoning and best practices, providing more opportunity for redevelopment; and

Whereas, the Fairfax County Board of Supervisors created the Economic Development Support Fund (EDSF) in 2016 to support the Strategic Plan to Facilitate the Economic Success of Fairfax County; and

Whereas, a goal of the County's Strategic Plan is to take action to create a diversified and prosperous economy that engages all segments of the community; and,

Whereas, the Town's zoning and subdivision update meets the requirements of a "programming support" type of EDSF project;

Now, Therefore, Be It Resolved, that the Town of Vienna is supportive of a request of \$120,000 from Fairfax County's Economic Development Support Fund, or
