MEMORANDUM

TO: Mayor and Council

FROM: Marion Serfass, Director of Finance / Treasurer *ms*

CC: Mercury Payton, Town Manager

DATE: January 14, 2019

SUBJECT: FY 2018-19 Mid-Year Financial Report Summary

FISCAL YEAR 2018

The Town ended 2018 in financially stable condition. General and Debt Service Funds ended the year with combined revenues of \$25,909,319 an increase of \$1,010,732 or 4.1% over the previous year. The General Fund revenue increased mainly due to increases in real estate taxes, service charges mainly at the newly renovated community center and revenue from the use of money and property in the General Fund, plus a 4.5% increase in meals taxes in the Debt Service fund. This was partially offset by slight decreases in fines and forfeitures and telecommunications taxes.

Total assessed taxable property values for Tax Year 2017 (Fiscal Year 2018) totaled \$4,763,472,880, an increase of 3.0% from the previous year. Property taxes as a percentage of total revenues and transfers decreased to 44.6% from 45.1% as a result of the increases in service charges and revenue from the use of money and property. Current year collected property taxes totaled 99.8% of the tax levy, making last year the 24th consecutive year in which current year tax collections exceeded 99%.

Total expenditures and transfers in the General and Debt Service Funds increased by \$542,756 or 2.0% from the preceding year. The increase was due mainly to salary and health insurance increases and increases in expenditures for increased Parks and Recreation activity associated with the renovated community center in the General Fund, partially offset by decreasing debt payments as bond issues mature.

GENERAL FUND BALANCE

The unassigned General Fund Balance ended the year at \$4,578,960 an increase of \$109,720 or 2.5%. The unassigned balance is 18.0% of FY 2019's General Fund budget

and is equivalent to 66 calendar days of expenditures. Another measure of the unassigned General Fund balance is the GFOA recommended best practice of having an unassigned balance of two months of expenditures, or 16.7%. The Town's unassigned General Fund balance exceeds this measure by over 1% for the eighth consecutive year.

WATER AND SEWER FUND

Water and Sewer operating revenues increased \$139,659 from 2017 or 1.9%, ending the year at \$7,526,619. This was primarily due to an increase in availability fees. Operating expenses ended the year at \$6,893,853, a decrease of \$126,229 or 1.8%. This decrease was mainly due to adjustments for the new pension statements partially offset by increased sewer treatment costs. This resulted in operating income of \$632,766 compared to operating income of \$366,878 in 2017. After non-operating revenues of \$356,244 and net transfers in of \$1,248,325, the fund had a positive change in net position of \$2,273,335 compared to an increase in net position of \$522,272 in FY 2017. Net position ended the year at \$11,961,608, an increase from the preceding year of 21.9%.

6. The plan supports a \$14.3 million police station construction and project management in the 2020 bond.
7. Water and sewer projects, funded by water and sewer rates, increase to \$5.4 million per bond fund, inflated at 2% each subsequent bond fund.
8. A reserve for undergrounding power lines of \$0.5 million per bond issue begins with the 2024 bond issue.
