

Public Engagement Plan

Sunrise of Vienna

September 6, 2018

The applicant looks forward to participating in a community dialogue during the zoning review process for the proposed rezoning and conditional use permit at 100, 102, and 112 Maple Avenue East ("Application Property"). Upon application acceptance, the applicant will send letters to property owners in proximity of the Application Property to make them aware of the proposal and inform them of a public community meeting that will be open to all interested community members. The applicant will also inform the Town of the public meeting so that they may advertise it as may be appropriate. In the letters the applicant will also establish a point of contact that will serve as a resource for the community.

The applicant will schedule additional community meetings and/or create a website to provide updates on the projects as may be necessary based upon the preliminary feedback that is received.

UPCOMING NEIGHBOR MEETING

REVISED DATE BELOW

After we scheduled the original meeting for Wednesday (Oct 24th) we realized that it fell on the same night as the Vienna Halloween Parade, and knowing how important this event is we've decided to reschedule the meeting so that it does not conflict with this event. We hope you can still make it!
