Re: 100-112 Maple Ave. E

Dear Council Members,

Since you are representing us in your efforts for the town, we thought we should take the time to let you know what we want.

So, regarding the proposed rezoning of 100-112 Maple Avenue E to MAC zone, we would like to register our opposition to this proposal going forward while MAC is suspended. We ask, in keeping with the spirit of the suspension, that this matter be put aside until MAC has been newly reviewed and revised.

Thank you for listening – and for your service to our town.

Sincerely,

Victoria Hook
and
Edward Rutherford
