Project budget shall be discussed with and agreed to by the County prior to authorization of any additional County funds.

viii. Track expenses to be sure that all work can be completed for the amounts in the Project Scope and Budget as set forth in Appendix A. If the Town determines that work is needed for which the billing exceeds the amount in Appendix A, it will provide acceptable prior notice to the County and will not proceed with such work until so directed in writing by the County.

B. The County shall:

- 1. Provide to the Town for the Project in accordance with this Agreement the cost of the Project outlined in Appendix A.
- 2. Review plans and cost estimates and provide comments to the Town within 30 days after the receipt of the plans and cost estimates.
