Northern Virginia

Priority Selection Criteria

In order to meet the Priority 1 selection criterion, this project must have received a prior Revenue Sharing allocation through the application procedure. Is this request expected to meet Priority 1?

No

In order to meet Priority 2 selection criteria, this project can be shown to meet a transportation need identified in CTB's Statewide Transportation Plan (VTrans). Provide reference to the project work identified in VTrans and explanation of how this requested project pertains to VTrans. Is this request anticipated to meet VTrans Priority 2 selection criterion?

No

This project will be identified in the locality's approved Capital Improvement plan (CIP) and, it will be documented that only by receipt of the requested allocation that the project advertisement date will be advanced. Is this request anticipated to meet the CIP Priority 2 selection criterion? If yes, appropriate documentation will be provided with the application submission.

Yes

In order to meet Priority 3 selection criterion, the project work will be documented to be for pavement resurfacing or bridge rehabilitation where the maintenance analysis determines the infrastructure does not meet the Department's performance guidelines. Is this request is expected to meet and will be shown to meet the Priority 3 selection criterion? If yes, appropriate documentation accompanying this application submission.

No
