Project Information

Project Title

Glyndon Street NE Sidewalk

Provide a description of the project and a clearly defined scope of the improvements to be made utilizing Transportation Alternatives funds. Should additional space be needed, please use the Upload Supporting Documents feature. Label the document "Project Description".

The purpose of this project is to convert an existing street that is edge of pavement with no sidewalk to a curb, gutter and sidewalk roadway on both sides. This proposed project will connect to existing curb and sidewalk infrastructure and provide approximately 950 lf sidewalk along with curb and associated storm infrastructure along both sides of the road from Ayr Hill Ave NE to Ainstree Court NE.

Select primary category of eligibility even if other categories may apply.

Construction of bicycle and pedestrian facilities

Does this project qualify as a “Safe Routes to School” project based on this criteria below?

- Eligible infrastructure activity
