Mike Walker called to follow-up on this. Should Katrina put it on the agenda? Is there anything else we need? Does he need to attend the TC meeting?

Subject: Extension of Mashie Drive LLC Bonds

Good morning,

I would like to extend the town bonds for the project at Mashie Court. Is there a form to fill out for the request and a normal extension period? According to my records the bonds were posted in October 2017.

Thanks,
Mike Walker
