Product Overview

With a variety of rich and elegant designs, TuffBilt Decorative Screen Panels can enhance either an indoor or an outdoor space. Thicker than standard lattice panels, the 2 ft. x 4 ft. screens allow for creative and decorative uses around the home. Paintable and easy to handle, these panels deliver long-lasting durability.

- Made of glass-filled polypropylene, a UV- stable material which prevents any scratches
- Low thermal expansion and contraction
- Includes a 1.5 in. border which delivers a picture frame look and can be installed either horizontally or vertically
- Heavy-duty 0.3 in. thickness
- Easy to install using color matching fastener kits for a seamless finish (sold separately)
- Traditional, elegant, romantic and fanciful styles
- Boardwalk style also available in black, greige and Brazilian walnut
- Transferable limited lifetime warranty
