

List of email responses by street

(DeSale, Holmes, Cabin, Plum)

DeSale Street SW (Moore Street to Tapawingo Road) 800 blk -16

- 800 Humayun and Reema, **IN** favor, has sidewalk in front of their home the rest of the street does not, corner of DeSale and Moore is a school bus stop, sidewalk would improve walkability
- 803 Marie and Chet Ropelewski, **IN** favor, street is heavily used by school children
- 804 Michael and Wanpen Ordonez **NOT** in favor, destruction of flower garden and organic crop, destroy oxygen breathing carbon dioxide sequestering grassland, elderly do not want it, does not want to pick up after pets and clear snow, not a safety issue, not a planned project
- 810 CJ, **IN** favor but wants the Town cover the cost for the work needed to the irrigation system.
- 119 Tappawingo, Tara Ruszkowski, **IN** favor, strongly supports the installation of the sidewalk, concerned about the safety of kids and families walking to the pool.

DeSale Street SW (Tapawingo Road to end) 900 blk - 21

- 906 William Haugh, **NOT** sure, wants to information about increased assessment and increased property taxes Fairfax County and the Town, upkeep and liability of sidewalks, 25 year historical cost information about sidewalks, sidewalk is placed on the wrong side of DeSale, questions why the sidewalk should be built
- 910 Michael & Ellen Standiford, **NOT** in favor, their front yard is minimal does not want to reduce the green space and will likely lose 2 trees
- 915 Joe Kelty and Susan Cohen, **IN** favor, good amount of foot traffic throughout the year; people walking and jogging and walking dogs, during summer months there is a higher volume of pedestrian traffic attending Vienna Woods Swimming pool

- 916 Eric, generally supportive, concerned about the impact of landscaping and cost for replacing it, French drain that cannot be altered and who would bear the cost.
- 918 Robert Stoner, **IN** favor expects compensation for trees and mature plantings
- 920 Philip McMormick, **NOT** in favor never had a reason that required the use of sidewalks. Suggests that the street get resurfaced, to give money it to Public Works and Police Department.
- 124 Melody Lane, Jim, **IN** favor a great idea making the Town safer for residents to walk or bike

Holmes Drive NW (John Marshall Drive to Upham Place) - 13

- 404 Caitlin Thrasher, **IN** favor, wonderful and very necessary edition
- 411 Jay Forman, **IN** favor outstanding, greatly improve pedestrian safety
- 419 Keith Aimore, **IN** favor of the project, provides for a key connection within the neighborhood and a complete safe route for school
- 420 Robert Amsler **NOT** in favor from Upham to Tazewell, the area is a flat grassy area and is already walkable installing concrete would not improve the walking area, long term problem with water puddling at Holmes and Upham and freezes, however is in favor for sidewalk from Tazewell to John Marshall
- 424 Leila Prior, **NOT** in favor from Upham to Tazewell, the area is a flat grassy area and is already walkable installing concrete would not improve the walking area, long term problem with water puddling at Holmes and Upham and freezes, however is in favor for sidewalk from Tazewell to John Marshall

Cabin Road SE (Branch to Glyndon Street) -16

- 307 Dan and Beth Tucker, **IN** favor, tremendous benefit to the safety of residents for the block and the larger community
- 308 Tom Taaffe **IN** favor, installation of sidewalk on one side is an improvement in walkability and safety
- 309 Cheryl Umbel, **NOT** in favor with sidewalk in front of her house unless the Town safely moves her trees, questions who will clear the sidewalk of snow (three trees maple, weeping Cyprus and a newly planted tree). The large pine tree she is ok with it being cut down.
- 310 Kimberly Chen, **IN** favor, would love sidewalk to safely walk to events around town, to grocery stores and other places
- 311 Patrick Eason, **IN** favor, concerned about possible damage to his sewer lateral that is orange burg pipe, he is planning to televise before and after the work is done
- 312 Lori and Reed 100% **IN** favor, the sidewalk will connect to WO&D and increase safety
- 314 Chris Cororan and wife, **IN** favor of sidewalk on Cabin Road
- 317 Mike Cheselka (BAR), **NOT** in favor concerned about saving the 67 year old tree. Wants assurances that extra measures will play (porous sidewalk)
- 317 Sue Cheselka **IN** favor wants assurances that extra measures will be in play (porous sidewalk)
- 400 Glyndon Street, William Mann, **NOT** in favor, he wants the flooding problem fixed on his lot, his tenant will not be able to park two vehicles in the driveway, the tenant does not park one car on the street at a result of his neighbor telling the tenant not to park in front of his driveway.

Plum Street SW (Cottage Street to Tapawingo Road)

- Olivia and Marc Ramirez, **NOT** in favor they oppose the sidewalk, no address given
- 913 Karen Viani, **IN** favor, supports the project wholeheartedly it promotes safe pedestrian traffic, she currently has sidewalk but wants the sidewalk to continue, sidewalk is not proposed for this block of Plum Street
